

**AIRPORT COMMISSION
TUESDAY FEBRUARY 7, 2017
5:15 P.M.
CITY HALL COUNCIL ROOM**

Call to Order

On roll call present: Chair Neville, DPW Flynn, Tim Voigt and Dewayne Seelow. Absent Ricky Opelt
Also present: Jeff Gaier, John Ross Clark County Emergency Management, and Steve Pott of PSC
Alliance Telecommunications Consulting.

Prior Minutes approved as filed with the clerk

Appearances: None

D/A on "FAA DETERMINATION OF NO HAZARD TO AIR NAVIGATION" within the 3 mile zone
of the Airport, for the construction of a 199' foot communication tower for Clark County Emergency
Management.

DPW Flynn explained that Clark County has a small communication tower on Pelsdorf Ave north east
of the Airport. Clark County has a need to replace this tower to improve communications on the
southern part of the county. They filed a Determination of Hazard with the FAA. After review by the
FAA, a "DETERMINATION OF NO HAZARD TO AIR NAVIGATION" was given to Clark County.

A memo from Airport Management was read into the record. "Regardless what the FAA says, Airport
management will go on record as saying we object to allowing any penetration into the height
limitation zone surrounding the three mile radius of the airport. The location of this tower would be in
the downwind portion of the landing traffic pattern for runway 10."
Signed Duffy, Bob, and Jeff Gaier

DPW Flynn went on to say that based on our airport zoning ordinance he has to deny the request, due
to the height restrictions within the 1 to 3 mile zone of the airport. Zoning Board of Appeals will have
to make decision to permit the request through the variance process.

Motion Voigt second Seelow to recommend approval of the communications tower based on the FAA
Determination of no hazard to air navigation, pending the recommendation by Zoning Board of
Appeals. 2 yea, 1 abstain (Flynn) motion carried

Motion Seelow, Second Voigt to Adjourn. All Aye

Jose Neville
Airport Commission Chairman

Dave Flynn
Secretary
